

PATRON BEHAVIOR POLICY

The Library Board of Trustees has established standards of acceptable behavior that will protect patrons, staff, and the equipment and materials in the library and will allow everyone to enjoy the library's resources. Any activity that interferes with the rights of other patrons to use the library, that would result in physical, emotional, or mental injury to oneself or others, or that could result in damage to the library's facilities, equipment, or materials is considered disruptive and unacceptable.

The library reserves the right to require anyone who violates the behavior policy to leave library property for the remainder of the day or evening. Depending on the severity or frequency of the violation, library privileges may be suspended for a specific period of time. Unlawful activities will be reported to the Barre Police Department.
